Bin tere i hate love story lyrics english translation

Shekhar Ravjiani's Unplugged version of Bin tere from IHLS (I Hate Love Stories) is one of my most favorite songs. Here are the lyrics and English Translation of the guitar based song. teri nigaahon ke teri hi raahon ke kareeb se gayi zindagi tujhe kyun dekha na tujhe kyun jaana na shikaayatein karun ya nahi thami hain yeh saansein, bhari hain yeh aankhein sahoon kaise ab yeh faasla bin tere bin tere bin tere, koi khalish hai hawaon mein bin tere close to your eyes, close to your paths only, did life pass through, Why didn't I see you, Why didn't I know you, Should I complain or not? These breaths are paused, these eyes are brimming, how to bear with this gap now, without you, without you, without you, there is an emptiness in the winds without you.. kuchh bacha hi nahi darmiyaan saans leti hai ab yeh dooriyan dil nahi jaante raahon mein haath se haath chhoote the kahaan kyun nazar ke kinaare toote hain khwaab saare tu bata soona soona samaa hai khaali khaali jahaan hai ab mera bin tere bin tere bin tere.. koi khalish hai hawaon mein bin tere.. there is absolutely nothing that remained in between (us), (only) these distances breathe now, hearts don't know, in the paths, where hands were left from hands, why at the edges of eyes, are all the dreams broken, tell me, all around me it's deserted, my world is now blank, without you, without you, without you, there is an emptiness in the winds without you.... I Hate Luv Storys (Photo credit: Wikipedia)Bin Tere(reprise) from “I hate luv storys” is one of the few songs that I desperately wanted to translate. The lyrics of this song is just so emotional that I can almost feel it like my own words.The song written by Vishal Dadlani, talks about someone who has realized that they have lost the one chance they had with the one they loved. The song is about the moments that they had spent together and about what it meant.One of my favorite lines in the song talks about the distances between the lovers – “Kuchh bacha hi nahin darmiyaan… Saans leti hain ab yeh dooriyan”. I always find it amazing how poets add life to inanimate objects but this it even more beautiful as the growing distance between the lovers is spoken about as a creature.Here is the translation of my favorite song from last year:Lyrics: Vishal Dadlani Album: I Hate Luv Storys Music: Vishal-Shekhar Vocals: Shekhar RavjianiTeri nigaahon ke Teri hi raahon ke Kareeb se gayi zindagi Unfortunately we're not authorized to show these lyrics.
